I just want to print  
the brochure •

---

Available in different countries  
Focused almost entirely on payment  
processing for merchants.

**Fees**

<https://bitpay.com/pricing>

**US only**

Since it also has a wallet and exchange it  
offers a uniquely smooth  
checkout/payment process for users

**Fees**

No fees if you keep funds in bitcoin 1% to  
convert bitcoin into your local currency  
but this fee is waived on your first  
\$1,000,000 USD

**Your own implementation**

We wouldn't recommend doing your own,  
but if your business is small enough, you  
can run a bitcoin wallet in your cellphone  
and charge directly
